Splitting her time between Las Vegas and Nashville, **Juliana Hale** is the rare case where beauty, passion, talent, and intelligence have infused to create a not just a pop singer or a writer but an artist capable of captivating an audience immediately. She has developed a unique sound with her soulful voice that is catching fire and the attention of industry leaders and fans. Her latest single, "One Last Time", was produced by Grammy Award winner Jared Lee Gosselin.

Nowhere does Juliana Hale shine brighter than when she takes the stage, fans can see her passion for music shine through. Just out of the gate Juliana Hale has performed at festivals and events across the US including opening for Flo Rida and Brandi Cyrus at Leather & Laces Official Pre-Superbowl Party, hosted by Jenny McCarthy and Donnie Wahlberg, SXSW, Common Ground, Numberfest as well as local Nashville hot spots including Exit In, Wildhorse, High Watt, Hard Rock Cafe, Margaritaville, Alley Taps and Rocket Town. This year she will be touring across the US opening for Marianas Trench and performing at Hawgfest and Breakaway .

"Juliana brings her unique style into everything she does. Such a great talent and songwriter. Working with her on production has been incredible. I see great things ahead for her!" -*Skidd Mills, Grammy Winning Producer*

"Working with Juliana was a joy! Talented and a hard worker. Loved my time with her." -*Tom Jackson, Onstage Success*

"I was skeptical at first, as any studio can make an artist sound great... then I heard her voice during sound check and the hair on my arms stood straight up and from there I was a believer!" -*Ryan Darnell, 3Thirteen Entertainment*

"Flawless in performance, production, execution. Juliana Hale becoming a household name seems like a natural inevitability." *Sleeping Bag Studios*
